

As a member of Congress, I am able to arrange for an American flag to be flown over the United States Capitol on behalf of a constituent. To order flags, you must either be a resident of my district, or sending the flags to a person who is in my district. Flags may be flown on any day of the year and for special occasions or events. Each flag that is flown is accompanied by a certificate confirming that it was flown over the U.S. Capitol. If multiple flags are requested to be flown, they will all be flown on the same date and shipped at the same time. If you need flags flown on different dates, you must submit separate order requests for each separate date to fly the flags.

Because of the large volume of flag requests, we require a check or money order for the total amount before we mail the requested flag. There is no limit on the number of flags you may order. Flags can be purchased in multiple sizes. All flags are sold at cost and take approximately 4-6 weeks for delivery, depending on the date you're requesting the flag to be flown.

Follow these easy steps to order a flag:

- 1. Determine if the flag will be mailed to an address in New York's 22nd Congressional District** by [entering the zip code here](#) .
